Our History

Zhejiang Baining Industry & Trade Co., Ltd was established in 1998 as starting from a plastic products manufactory. In 2009, we became the first factory which manufacture 360 spin mop in China. In 2011, we established our own foreign trad department and started E-commerce on Alibaba. We have been developing new fashion products since 2009. Now we became the best supplier of as seen on TV products such as Kithcen & Bathroom products, snow sleds, fitness and sports equipments etc.

Our factory covers 8000 square meters. Till now we have 21 plastic injection machines which make our monthly production capacity reach 400, 000 sets sweeper, scruber. At the end of 2016, our export volume has reached USD 15 million and ranked first among China manufacturers.

Our Experience

We are devoted to supplying the highest grade products to the public, therefore we have been engaged in R&D all the time. The contious development of the products has placed us at the leadership position. We have 7 years of working experience with Walmart (US retailer) and passed Walmart factory audit. We deeply understand different market demands, so we are able to provide suitable products for different customers. As and OEM/ODM partner, supplying the best service for the most famous home brand in the world, such as Hurricane spin mop, Big boss Insta mop, Uragano 360, we could also meet the demands of customized specification. Most of our customers are big vendors from all over the world who sell in TV shopping Channel/Chain supermarket/ Chain retail stores.
